

Dear Men,

September 1, 2007

Wow! What a month August was for *The King's Men* Apostolate. There is so much to update you on and so little space so I will not waste any time getting to all of our activity towards building and uniting men this past month.

On Wednesday, August 1st, TKM took the No More Porn Tour back to Adult World in Montgomeryville, PA. This time we were pleased to see that the media was finally taking notice of our efforts as the popular Bucks and Montgomery County newspaper, *The Intelligencer*, was on hand to take pictures. Much to our surprise, the paper ran a relatively unbiased cover story on the Tour in the "Our Town" section of the Friday August 3rd publication. Please go to our website www.thekingsmen.us if you would like to read the article in full. Not only did the article benefit us P/R wise, but an added fruit was in the words of Adult World's own store manager who went on record as saying that we are affecting their business. **"On the days that they are here, we take a cut anywhere from a couple hundred to a couple thousand dollars and it hurts us."**

The month of August also marked the launching of our fourth TKM accountability and formation group. This meeting is taking place every 1st and 3rd Monday at our office in Quakertown from 7-8:45 PM. For more information about these groups please go to our website and click on the Formation icon on our home page.

Co-Founder Damian Wargo and I had the privilege of presenting TKM to over 50 young adults in PA and MD. On Tuesday August 7th, we spoke at CAFÉ in Warminster, PA and on Sunday August 19th, we spoke at Theology on Tap in Baltimore, MD.

Damian and I had a planning meeting with TKM mentor Dr. Philip Mango for our next Warrior Brothers retreat for men. This weekend, which we are calling "The Knights Weekend", is scheduled for October 26-28 and will be held at the beautiful Our Lady of Mount Kisco Retreat Center in NY. Please go to our website for more details about the weekend and registration information. Please note registration is limited to first 50 men.

The TKM Ten for \$10,000 raffle is one month in development. Damian and I have shared this awesome partnering opportunity with most of our contacts yet we still are in need of your help in selling tickets and getting the word out. Please invite your friends to check out this exciting raffle by going to our website. If you can volunteer your time in selling some tickets please send me an email at mark@thekingsmen.us and I would be happy to get you as many tickets as you need.

Finally, on Tuesday August 28th, over 65 of our friends and benefactors came out for our one year anniversary celebration at St. Rita's. On this beautiful summer evening, Father Michael DiGregorio, OSA led us in thanksgiving for the life of St. Augustine and TKM's apostolic work by offering the Holy Sacrifice of the Mass. We pray that we will gather to celebrate like this for years to come.

Mark J. Houck
Co-Founder/President
